

# GOING OFF OF THE RAILS

## DRIVING HAZY TRAIN

**THIS ULTRA-SOFT HAZY IPA IS LOADED** with rolled wheat and oats, creating a smooth, medium body mid-palate. At under 5 SRM, the appearance presents an almost chartreuse-like limeiness that glows off of suspended proteins. Lemon drop hops layer a delicate citrus aroma on top of an herbaceous and fruity core. The overall impression comes off drinkable and fresh.

6.9%  
ABV
