JUNE/JULY 21

PROJECT X SERIES a beer + art endeavour

COGNITIVE AEROBICS HIPA is brewed with a combo of New Zealand and PNW hops lending a huge aroma, full of citrus and fruit candy. Peach rings, orange marmalade, and lemon zest are just a few adjectives that describe the nose on this choice, lactose-free west-coast hazy. A light malt profile allows the citrus and tropical qualities to shine.

4S EASONS

ASK AND YOU SHALL RECEIVE. YOU WANTED US TO CAN our Barrel-Aged RIS, and we did. This carefully concocted recipe typically serves as the blending base for 4Seasons so we figured what better vehicle? White Wheat adds body and boosts head retention, while the whirlpool addition of brown sugar gives the beer a caramel sweetness to round out the roasted barley and coffee malt. Finally, nitrogen is infused to create a velvety mouthfeel.

YEAR-ROUND

CALI CREAMIN'

VANILLA CREAM ALE / 5.0% ABV

Our flagship offering is golden to pale in color, with low bitterness, medium body, and a white head. This Cream Ale has redefined the category.

AVAILABLE IN NITRO ON DRAFT & 16OZ CANS

CALI CREAMIN' CREAMSICLE

ORANGE VANILLA CREAM ALE / 5.0% ABV

Using our flagship ale as a base, we put an even more nostalgic twist on our style-defining brew. Features hints of vanilla and a distinct citrus cream flavor that finishes slightly sweeter than its Cream Ale counterpart.

TIERRA MADRE

MEXICAN STYLE LAGER / 4.5% ABV

Thirst-quenching, crisp & snappy are all adjectives that come to mind when drinking this fresh, light Mexican-style lager. A beer for all reasons.

BOO KOO

INDIA PALE ALE / 6.5% ABV

In a sea of offerings, our Mosaic IPA stands out as one of the finest examples of a West Coast-style beer: Bursting with flavor and aroma, finished dry.

MILK TRUCK

LATTE STOUT / 5.8% ABV

Our signature dark ale is the best part of wakin' up. With a marshmallow softness, we use specially chosen roasted malts to impart a non-astringent darkness that laces the glass and your mouth from first sip.

ALSO AVAILABLE ON NITRO (DRAFT ONLY)

HOP DIGGITY

DOUBLE INDIA PALE ALE / 8.2% ABV

Dry-hopped with Citra and Mosaic, you get tons of passion fruit, citrus, and kiwi juiciness, with just enough malt character to give it body while not being sweet or caramel-driven.

PROJECT X SERIES showcases unique labels created by independent artists that have been translated from their original media, be it canvas, street art, or even sculpture. Teaming up with artists to spawn inspired works that tie into each beer's namesake, we have adopted a distinctive concept that shifts the focus from just the liquid in the can, to a sensory experience that makes a piece of aluminum not just a thing of beauty, but a true work of art both inside and out.
