

THE JEFE OF HEFEWEIZEN

5.0%
ABV

21
IBU

FUSING THE ATTRIBUTES OF A TRADITIONAL GERMAN-STYLE HEFEWEIZEN and an American wheat beer, we leave this beer unfiltered, however the yeast profile is slightly muted when compared to its Bavarian counterparts. Our rendition is very balanced and very easy to drink, but there is enough there to satisfy true-to-style wheat beer enthusiasts. Whirlpooled with dried orange peel.
